### Cotton Boll and Consumer Jamboree

#### Description of Learning Experience:

The Cotton Boll and Consumer Jamboree is a competitive Judging contest where 4-H'ers learn about cotton as an agriculture commodity in our state as well as to promote cotton through commercials or PSA's (public service announcements). 4-H'ers gain skills in making rational decisions when purchasing goods and services while maximizing resources.

The contest is made up of two competition areas: judging classes and PSA's /commercials. 4-H'ers are required to judge four classes of consumer items or services. Each class contains four similar items and has an accompanying situation statement. This statement describes a consumer and gives the needs to be considered when he/she makes a decision to purchase the item. Factors influencing these needs may include the person's age, gender, available money, lifestyles, school or job status, preferences or other requirements that depend on the item given and the individual in the situation.
