

## Cloverleaf Camp Activity Highlights

Cloverleaf Camp Highlights includes these activities (called voyages) led by enthusiastic and knowledge counselors:

Competition throughout the week between Color Crews for the Captain's Bell!

Explore Jekyll Island by Bike: riding along beach paths, forest trails, marsh boardwalks, and through the Historic District!

Get Wet at Summer Waves including the Turtle Creek Lazy River, Frantic Atlantic Wave Pool, and 5 slides!

Muddy Marsh Madness: catch a fiddler crab, enjoy a mud detritis facial, and sample a sea pickle!

Explore and shop at the new Jekyll Island Beach Village and Historic Distric Shops, and climb the trees at Driftwood Beach!

Search for shells on the beach, watch flying brown pelicans, look for dolphins, and learn about sea turtles!

Learn to canoe on the Tidelands Pond and get to know and meet the reptiles at Tidelands during Herpetology

See what you can catch in water while seining the intertidal zone for fish, squid, and crabs with your fellow campers!

Hike through the mysterious maritime forest, look for gators in the slough, and climb the Grandfather Tree!

Take a trip to the beach for splash during organized beach swims!

Have fun during Evening Rec with games such as Basketball, Volleyball, lawn and board games, dancing and more!

With your color crew as your team, compete in the crazy Pirate Games!

Enjoy some delicious and refreshing watermelon at the Watermelon Social!

Enjoy tasty food from the Diamondback Dining Hall!

Work with your cabin mates to earn the Clean Crab or Tidy Turtle!

Roast a marshmallow and be entertained by the counselor campfire skits under a beautiful star night sky!

Build an epic sand sculpture with your color crew on the beach to earn coins for the captain's bell!

Have the best week of summer ever having fun and meeting new friends!
