Summer Camp Counselor Job

Applications for employment as a Summer Camp Counselor at Wahsega 4-H Center are handled through the Georgia 4-H Summer Camping Program office. We do not take camp counselor applications through our office. Applications are submitted in the fall of the year for the following summer. The typical applicant to be a first-year counselor is a Georgia 4-H club member in their senior year of high school or freshman year of college. Experienced Georgia 4-H Summer Camp Counselors may re-apply each year. If you are a Georgia 4-H club member and you are interested in being a counselor, contact your local county Extension office.
