

RESIDENTIAL-OVERNIGHT PROGRAM RATES & PACKAGES

2025-2026 ENVIRONMENTAL EDUCATION PROGRAMS

Environmental Education rates are a **base rate per person** meaning each person attending the program including teachers, administration, parents, volunteers and/or students will be charged for your trip. We *do not* credit groups and/or individuals who stay off-site, do not eat meals and/or do not participate in the entirety of the base program offerings. Our program rates are based on an all-inclusive program schedule in which the number of classes & meals may vary depending on actual group arrival and departure times. We request groups plan for a **13:1 or 12:2 student to adult ratio** for our programs due to transportation logistics in off-site program offerings. *Please note the listed rates are for July 1, 2025-June 30, 2026 ONLY.*
