

## Georgia 4-H at Camp Jekyll: Environmental Education

# Canteen & Gift Shop Items and Prices

Groups may choose to purchase canteen items in bulk for students or allow students to make their own purchases. Either way, canteen opens three times a day (in between morning, afternoon, and evening classes). Bulk purchases may be covered by a separate check from the school made out to "Camp Jekyll"; bulk orders need to be placed approximately one month in advance. Otherwise, we accept cash and personal checks only; we cannot accept credit/debit cards. The stock in canteen is rotated from time to time, so items are subject to change. Also, our canteen rules are that students can buy only one candy item per canteen visit. Students are not allowed to buy caffeinated beverages (coke and diet cokes are for adults only). If you have any additional rules you wish for your students, please let us know and we will try to accommodate. Students may not have food or drink in their cabins. Please make sure to recycle and dispose of all trash!
