Volunteer Appreciation Week

10-16 April 2016

4-H Volunteers Grow Community!

Thank you to our 2015 Adult Leader Volunteers!

For me, the most beneficial part of camp was the connection I made with the Adult Leaders as well as the youth. It made me feel hopeful for our future and inspired me to learn more and be a part of a mentorship program.

These camps change the lives of the adults who attend them, as well as the kids. They are extremely beneficial to everyone who goes, in a completely unexpected way.
