Judging Training
Senior (9th - 12th Grade) Portfolios

Project Achievement is one of our core 4-H programs, and we value your contribution in developing our young people. The following judging resources are developed for Portfolio Judging Certification for 9th - 12th graders. Prior to the contest, please complete the following steps to prepare you for serving in the role of judge.

1. View the Portfolio Judging Video.

The Video Script is available if needed.
Discussion tips and sample questions may be used to guide the portfolio discussion.

2. Review Contest Resources:

Project Objectives
Portfolio Guidelines
Portfolio Scorecard
3. Take a Short Quiz

Please contact your local Extension Office to receive your Certification in Project Achievement Portfolio Judging for 9th - 12th grade. If your local Extension Office has emailed you a quiz link, scoring 100% on this quiz will give you certification.

Thank you, in advance, for serving as a Project Achievement judge! Should you have any questions prior to the contest, please contact your local Extension Office. We hope you enjoy your contest!
