

# GEORGIA 4-H

## ENVIRONMENTAL EDUCATION

Experience day and residential field studies at sites from the mountains to the sea!

- Exciting courses are aligned with the current state education standards
- Well-trained and college-educated instructors keep students active and engaged for up to eight hours a day
- Hands-on approaches put learning in the context of the real-world environment
- Experiences help create and sustain bonds between teachers and students

# EXPERIENCE THE CLASSROOM WITHOUT WALLS

1.3 million

participants served  
by Georgia 4-H  
Environmental  
Education since 1979

## Four Major Course Areas

**Ecology:** Beach, Forest, Lake, Marsh, Stream

**Living History:** Pioneer & Native American

**Outdoor Skills:** Canoeing & Orienteering

**Team Building:** Games, Challenges, Courses

Available based on location

## Evaluation data demonstrates

an increase in participants' (1) positive relationships with their classmates, (2) positive relationships with their teacher, (3) knowledge about the ecosystems of Georgia, (4) knowledge that their behaviors affect the environment, and (5) connection to nature.

## Teacher Testimonials

"On a scale of 1-10, I give an 11 for all aspects. I have taught biology for 14 years... the staff taught the subjects like excellent veteran teachers. We were all bragging the whole time about the instructors' energy and classroom management with the kids (even the difficult ones). Loved the experience!" -5th Grade Teacher in Henry County

"This place would have changed my life as a kid. We would love to come back!" - 8th Grade Teacher from Roanoke, Virginia
