Instructions for Using this Record Book

This record is designed to be the place for you to keep records on your animal projects. Read through the book carefully and complete all sections requested (for example, project planning, feed and health care purchases, supplies and tools, results from shows, and a financial summary). Do not leave any sections blank unless they do not relate to your project animal. It is important that you do your own work, but ask your 4-H leader, Extension Agent, ag teacher, parents, or other volunteers for help when you do not understand something.

1. Read through this book and familiarize yourself with the kinds of records you will need and where information should be recorded. Discuss the book with your parent and/or project leader.

2. Complete essential information when you first start your project, such as the cover page and the project planning page. Share your goals with your project leader.

3. Keep your records up to date. Record information as it occurs. Consider setting aside specific times during the project when you will work on your record book. It is suggested that you print a working copy to hand write in and then type in the pdf towards the end of the project.

4. Include at least one photograph of you with your project animal, but do not include more than two pages of photos.

5. Write a project story that captures what happened during your project. Discuss your goals, your activities, your challenges, and your accomplishments. Project stories must be at least five sentences; more experienced exhibitors' stories should be more in depth.

Instructions for Submitting the 2024-2025 Market Goat Record Books

This record book is for Senior participants in 9th-12th grades. (Grade as of September 1, 2024) The record books will be evaluated by a committee of 4-H and FFA Jr. Livestock supporters. The top five Pre-Club, Junior and Senior Record Books will be recognized at the beginning of the Market Goat Show. Additional awards may be awarded to selected placings once donor funds have been confirmed.

1. All entries must be from bona-fide 4-H members for the current year. All market goats that a record book has been completed for must be entered in the 2024 State Market Goat Show.
2. Record keeping is from the date of purchase until no later than September 20th.
3. All Market Goat Record Books must be submitted online by ag teacher/agent by close of business September 23rd. The form to submit will be sent to Extension and FFA leaders.
4. The record book is complete. No additional pages are allowed.
5. All signatures must be obtained on the first page of the record book.
6. All work must be done by the submitting 4-H/FFA member. Plagiarism is not allowed. Record Books that appear to be plagiarized or not on grade level will be penalized.

Project Planning

Set at least three goals for yourself in this livestock project this year.

1. What do you want to learn?

2. What do you hope to accomplish?

3. What new activities do you want to try?

Please tell us about your project animal(s) (check all that apply).

- o I purchased my project animal.
- o My project animal was born on my family farm.
- o I lease my project animal.
- o I house/board my project animals at another location other than my residence.

How did you decide which animal to show?

Project Story

This is your chance to tell us all about your project. We suggest writing your story and then typing it into the form. The outline below is just a suggestion and includes questions to get you thinking.

I.   Introduction:
   a. What type, breed, weight, etc., of goat you obtained and why you chose a goat as your project?
   b. Why did you choose the goat you did – cost, breed, breeder, past successes, etc.?
   c. In choosing your goat, did you conduct any background research? If so, explain.

II.   Body:
   a. Briefly describe what your daily care consisted of – feeding routine, exercise, etc.
   b. What was your most significant experience? What did you learn about yourself and/or your goat? Was there anything that surprised you about this project?
   c. What has been your favorite part about showing goats?

III. Summary:
   a. Will you be showing a goat next year? Why or why not?
   b. What are some things that you learned from raising your goat?
   c. Is there anything that you would do differently next year?
