Pioneer Tools Journal Questions

1. What are some things you do at home after school? What do you think you might do after school if you lived in the 1850s?
2. Name two simple machines and give examples of each from the tools you used today.
3. Name some tools a pioneer might use to make shingles for a roof.
4. Imagine students 100 years from now are learning about the tools and technology we use today. What tools and technology do you think they would learn about?
