## Pioneer Life Journal Questions

1. How have advancements in technology affected some of the tasks you performed in class?
2. What kind of artifacts did the pioneers leave behind? What kinds of items do you think people in the future will find from our society?
3. Do you perform chores at home? How are your chores different from those you performed in this class?
4. The excavation of the pioneer site found many discarded items made from glass, wood, or metal. How do these items differ from the items we discard today?
