

2020-2021 Environmental Education Programs Breakdown

Below is a quick guide to showcase available program options. Detailed is the total number of Burton staff led classes, meals and lodging during field study trips. For current rates and reservations, please email Environmental Education Program Coordinator, Erine-Fay McNaught at erinefay.mcnaught@uga.edu.
*Please note that our rates are **per person** (teachers, adults and students) and include lodging, classes, meals and transportation while on property.
