**Dietary Restrictions** 

- With advance notice the dining hall can accommodate most food allergies or other food related restrictions (ex: nut allergy, gluten allergy, vegetarian, etc.). While we make efforts to accommodate special requests, we are not able to meet all special requests.
- Please make sure to include all available details:
  - For example, if a participant has an egg allergy, the allergy could be listed as follows depending on severity:
    - Egg Allergy: student cannot have any eggs at all, even as an ingredient (no pancakes or cookies if egg is an ingredient)
    - Egg Allergy: student cannot have eggs alone, but can have eggs in products
  - Your school nurse will usually have this information on file, and they may be able to help you fill out this form for students
- If your student has a very severe allergy, plans can be made to bring their own meals and be kept in a refrigerator or freezer on center.
- Please list all dietary needs for student and adult participants on this form. Fax or email form to Mary Melson at: 770-946-4494/ mary.melson@uga.edu approximately 2 weeks prior to your visit.
