## **Fulton Fresh Kitchen Science**

Join us for a summer of fun learning about healthy living and STEM! Each week, Fulton Fresh Kitchen Science will feature a recipe, STEM activity, and virtual farm tour focused on a chosen fruit or vegetable. Participate by downloading the recipe cards and activity sheets or follow along with our weekly videos. Learn how to prepare a yummy recipe, expand your STEM knowledge, and explore Georgia agriculture by virtually visiting farms across the state to meet the farmers who grow our food. Complete the Fulton Fresh BINGO card and be entered to win a prize!
