# Georgia National Fairgrounds Jr. Livestock Ambassadors Application and Video Submission Form *Deadline December 17, 2018*

The Georgia National Fairgrounds & Agricenter is excited to begin the selection process for the 2019 Jr. Livestock Ambassador Program. It is the mission of our Facility to showcase Georgia's agriculture and agribusiness while also promoting the agricultural achievements of Georgia's young people. Using our mission we plan to showcase our youth, their achievements and their talents here at the Georgia National Fairgrounds throughout the year at several of our different events. Throughout this process each member will be asked to attend specific events here on-site, help out with livestock and equine shows, commercial events that take place here and serve as an advocate for the Fairgrounds as a whole. We ask that each applicant take a look at the guidelines, requirements, schedule of events and the submission form for the application video. For specific questions feel free to reach out to Keaton Walker at [kwalker@gnfa.com](mailto:kwalker@gnfa.com) or 478-988-6483.
