Lifesmarts

LifeSmarts, the nation's premier consumer program and a national 4-H partner, has never been more relevant. Entering its 27th year, LifeSmarts provides real-world education for students who learn about core consumer topics and develop critical thinking skills. Participants focus on five key topic areas: consumer rights and responsibilities, the environment, health and safety, personal finance, and technology. The goal of LifeSmarts is to create consumer savvy young people who will be well equipped for adult life in today's complex, global marketplace. Participation in LifeSmarts is totally free! Coming soon: Online practice matches! Challenge a team of 4-H'ers to an online practice match. Stay tuned for more details and check out these great LifeSmarts Virtual Learning Resources!

Excursion Dates & Times

Solo Excursion

Grades

7th - 12th
