## Check everything that is true about washing your hands!

- Wash them before touching food!
- Wash them after going to the bathroom!
- Wash them after coughing or sneezing!
- Wash them once a day!
- Scrub them with soap for 20 seconds!
- Clean under your nails!
- Wipe your hands on your pants to dry them!

**Circle all of the things that you can do to keep yourself and others safe from germs:**

Cough and sneeze into your hand

Come to school when you are sick

Cough and sneeze into the inside of your elbow.

Share drinks with your friends

Re-use tissues

Try not to touch your face!

Wash your hands often

Fist bump instead of high-fiving

Only use soap if your hands look dirty.

Answer the questions below by putting an "X" in the box.

Because of <b>STEM CLUB</b> ....	Strongly Disagree 	Disagree 	Agree 	Strongly Agree 
I am more confident in my ability to prevent the spread of germs!				
I will wash my hands more often with soap and water!				
I feel that I can take action in keeping myself healthy!				

Something I can do to keep myself healthy is:

I will wash my hands when:
