

Nightwalk Journal Answers

1. Have you ever experienced the beach at night? If yes, how did this experience compare? If no, please describe tonight's experience.
2. What does nocturnal mean? Why is this a benefit?
3. List a few examples of nocturnal animals and describe their adaptations to darkness.
4. How can man-made lights (streetlights, flashlights, etc.) affect nocturnal animals at home and at the beach?

5. Describe adaptations of the human eye for night vision.
6. Where you able to see anything in the night sky? Describe what you saw and learned.
7. What is bioluminescence? Name an organism that can do this.
8. List all of the activities you did and a fact of each one. Circle your favorite. Why was this your favorite?
