

## **Nightwalk Journal Questions**

1.	Have you ever experienced the beach at night? If yes, how did
	this experience compare? If no, please describe tonight's
	experience.

2. What does nocturnal mean? Why is this a benefit?

3. List a few examples of nocturnal animals and describe their adaptations to darkness.

4. How can man-made lights (streetlights, flashlights, etc.) affect nocturnal animals at home and at the beach?
5. Describe adaptations of the human eye for night vision.
6. Where you able to see anything in the night sky? Describe what you saw and learned.
7. How often do you experience silence at home or in nature? How did this experience compare?

8. What is bioluminescence? Name an organism that can do this.
9. How did your senses change while were at the beach? Which did you use the most?
10. List all of the activities you did and a fact of each one. Circle your favorite. Why was this your favorite?
