District: Northeast

Why would you like to serve as a State 4-H Officer?

When I was a Junior 4-H'er, I would always look up to the state officers. They were a prime example of what 4-H stood for and were always friendly to everyone they met. It's also a great opportunity to further enhance my leadership and citizenship skills. Being a State 4-H Officer would give me the ability to reach not only a larger audience within 4-H, but the state of Georgia.

What experiences have prepared you to serve in a 4-H leadership role?

I have previously served on the 2021-2022 Northeast District 4-H Senior Board of Directors. I am currently a 4-H Healthy Living Ambassador for 2022-2023. I also hold officer positions in HOSA (Project Chair), FBLA (Reporter), and NTHS (Vice President). Additionally, I am an Ambassador for the Chick-Fil-A Leadership Academy. I have served as a Teen Leader at various 4-H events over the years, such as Cloverleaf DPA, Junior/Senior Rally, and many local summer fun days. I also teach and choreograph for Rhythm Academy Dance Company Competition Gymnastics and Competition Cheer Teams. I am also a member of The Pointe Church where I am part of the Youth Worship Team, lead Children's Choir, and teach Sunday School. I feel that my experience in all of these areas combined would make me an excellent fit as a State 4-H Officer.

What is your favorite 4-H project, activity, or event? Explain why.

My favorite 4-H event is any state event because there aren't as many state events as there are district events. At the state events, I get to see all my friends from around the state, and make many more. District events are fun, but the state events are even better.

What else would you like 4-H'ers to know about you?

I am a very open minded individual who loves a good time. Being on State Board would mean the world to me. Serving 4-H for the state of Georgia would be the highlight of my senior year. While on this board, I would strive to make this coming year unforgettable. Even if I were to not make State Board, I love all my fellow 4-H'ers for who they are and am so grateful to all of you for being part of my 4-H journey.
