Name: Madison Wood

County: Floyd

District: NW

Why would you like to serve as a State 4-H Officer?

I want to be a state officer because I want to bring out the best in people. The ability to encourage others and allow them to feel good about the choices they have made because of being involved in 4-H, is also something that I feel is an important part of a district officer. I love 4-H, I am honored to say I bleed GREEN, and I am Georgia 4-H!

What experiences have prepared you to serve in a 4-H leadership role?

I have served as a county officer and an ambassador. These experiences have allowed me to grow as a person and as leader. I have also served as a teen leader to various events including cloverleaf camp, where I assisted with cabin management, string rotations and assisted with management of daily routines for my leaders. I have also assisted with teaching the Georgia 4-H Teen Leader certification training, along with judging at Cloverleaf DPA. All of these experiences have provided avenues for me to serve others.

What is your favorite 4-H project, activity, or event? Explain why.

District Project Achievement - This activity I have grown the most personally. I have perfected my communication skills and ability to read a room. I have strengthened my interpersonal skills. I have grown in the depth of my knowledge about my subject matter and knowledge in other subject matters from my peers who are competing in that project.

What else would you like 4-H'ers to know about you?

I have the skills to be very encouraging, loyal, responsible, organized, friendly, and dedicated. I strive to be the best I can at everything I do. I want to give back to this great organization which has given me so much.
