

Your Burton Experience

Post-Trip Journal Questions

1. Were your expectations for the trip met? How so? Describe your overall experience at the Burton 4-H Center.
2. Describe your experience of staying in the dorms.
3. List all of the classes you took and circle your favorite. Why was it your favorite and what did you learn?

4. During your trip, you have spent a lot of time with your classmates. What new memories and friendships have you made?
5. Describe something that happened during your trip while working with your classmates that surprised you.
6. Describe something that happened during your trip while working with your teachers that surprised you. How you view your teachers now?
7. A lot of the Burton experience involves being outside. How has what you know about the environment and nature changed since visiting Burton 4-H Center?

8. Reflect on your pre-trip goals. What goals did you meet during your experience? What did you learn about yourself?

9. What is the one thing that you will remember from your experiences?

10. What from your trip has inspired you? What do you plan to do next?

Making the best better!
