It that simple to brighten the day of a retired Veteran who served to keep our country safe. Remember that you can pick any holiday of your choosing. It would be great to send more than one card. If you prefer to use a premade card that is ok too! A few ideas of things to write inside the card include but are not limited to: Happy Holidays, thank you for your service, we care about you. Thank you for choosing to brighten the day of these beloved Veterans.
