

## Surf Sleuth (Seine Nets) Journal Questions

1. Label the fins on the fish – caudal fin, dorsal fin, pectoral fin and pelvic fin.

2. Why is the lateral line important to a fish?
3. How do you tell the top from the bottom of the seine net?
4. What are some animals or plants that you caught during surf sleuth? Draw one organism you caught.
5. How well do you think your group worked together? What could you improve?

***Making the best better!***
