

# Georgia 4-H AMERICORPS VISTA Summer Associates

## Filling full-time summer positions!

### General Position Descriptions (40 Hours/Week):

VISTA (Volunteers in Service to America) Summer Associates will promote summer learning and reduce summer learning loss by delivering pre-developed research-based programs under the supervisory of youth development professionals, assisting with recruitment and training of volunteers to extend program capacity, and offering summer education programming in areas of healthy living, STEM, civic engagement, and emergency preparedness. Position duties vary per location. For specific descriptions visit the websites listed below or contact the appropriate contact person. This project is designed to strengthen the infrastructure and broaden the reach of Georgia 4-H, the state's largest youth leadership program.
