

Wahsega 4-H Center Homeschool Club – Classes This Spring!

Near Dahlonega, GA, 90 minutes from Atlanta

Fall 2018 Homeschool Club – For nature lovers and future biologists!

Hands-on Outdoor Classes for the Whole Family

Come join us for hands-on environmental education classes! Our classes are taught by enthusiastic educators who love to share their passion for science and nature. Classes are for children from 4-17 years old. You must sign up and pay for all 4 classes. Payment is due by the first day of class.

Classes meet on October 1, 15, 29 and November 12 from 11:00am – 12:30pm. Bring a sack lunch and stay and play after class.

Class topics are: Astronomy, Wilderness Survival, Entomology, and Wildlife. Be prepared to be outside for parts of each class.

The total charge per student is \$40 for the 4 classes. The full amount is due even if you know you will miss a class and there are no makeup classes. Parents and siblings younger than 4 years old are not charged. To sign up you must complete the online registration form and mail a check for \$40 per child to the address below (please include your child(ren)'s name on the check).

Parents must attend classes with their child (this is not a drop off class).

Send check to:

**Wahsega 4-H Center
77 Clover Leaf Trail
Dahlonega, GA 31328**

Contact David Weber at dweber@uga.edu or 912-864-2050 to ask questions.

See class descriptions on our website – <http://georgia4h.org/4-h-centers/wahsega-4-h-center/environmental-education/trip-planner/>

Classes subject to change, but we will notify you by email. **Dress to be outside.** Rain, cold, or heat does not bother us!

Other options:

- You can form your own group of at least 10 people and make your own reservation for a different time. This option also allows you to choose your own classes.
- Other Georgia 4-H centers are open for group reservations of at least 10 people. See Georgia4h.org/ee
