

DIGITAL LITERACY INTERESTS SURVEY

Sample language to introduce the survey: [COUNTY NAME] 4-H is participating in 4-H Tech Changemakers, to offer training to help increase the comfort level of adults in the community around technology. To help us determine what to offer in our workshops we need your help. We are interested in how you currently use Internet services in your life and also for what purposes you would be interested in growing your skills.

Instructions: Please place an X beside the skills you already use from the list below, then place an X beside the skills you would like to improve. Finally, in the right-hand column, place an X beside the 5 skills you would most like to learn.
