Spring 2020 Registration Form

Register by Friday March 2nd for an early bird discount.

Rock Eagle 4-H Environmental Education Day Camp
April 6-10, 2020 - Ages 6-11

Join us for a day, or sign up for the whole week! EcoAdventure is a great way to have fun, learn something new, and get messy! Check out our 2020 camp themes.

Microscopic Mysteries (4/6)

Take a closer look at the unseen world that is all around us! Activities for this day include searching for and exploring the microscopic organisms found at Rock Eagle.

We speak for the Trees (4/7)

On this day campers will learn all about native plants and wildlife and how to best be an advocate for the living things that don't have a voice of their own.

Wildlife Adventures (4/8)

Rock Eagle is home to countless wild animals who play an important role in our ecosystem. Throughout the day, campers will get to know Rock Eagle's wildlife through animal encounters and exploration.

Outdoor Explorer (4/9)

Learn what it takes to be a wilderness expert. Campers will spend time in Rock Eagle woods learning how to navigate, build shelter, and create a fire!

Sustainability Superheroes (4/10)

After a week of learning about the awesome things nature has to offer, campers will learn how to be better stewards of the earth! Activities will focus on what we can do to help our plants, animals, and natural resources.

Rock Eagle 4-H Center is located near Eatonton, Georgia adjacent to the Oconee National Forest. Rock Eagle has 1,500 acre lake providing a perfect place to connect with the natural and cultural history of Georgia's Piedmont. Rock Eagle 4-H Center is one of five centers operated by the University of Georgia Cooperative Extension. Through environmental education, we aim to inspire youth with a love for learning by using the outdoors as a "classroom without walls" filled with unique learning opportunities.
